

NTPS-24-1.3: Technische Daten

DE

Table with 2 main columns: Netzanschluss (ACin) and Ausgang (DCout). It contains technical specifications for input voltage, output voltage, power factor, and safety features.

NTPS-24-1.3: Technical Data

EN

Table with 2 main columns: Connection to Mains (ACin) and Output (DCout). It provides technical data including input voltage, output voltage, power factor, and safety information.

NTPS-24-1.3: Données Techniques

FR

Table with 2 main columns: Raccord de Réseau (ACin) and Sortie (DCout). It details technical specifications for the AC input and DC output, including voltage, current, and power.
